IMMAGINI DALLA RICERCA

The Science Centre Immaginario Scientifico and the University of Trieste, within the Memorandum of Understanding "Trieste City of Knowledge", promote the 10th edition of the photo contest: **ARTE O SCIENZA? IMMAGINI DALLA RICERCA** (Art or Science? Photos from Research).

The contest is open to students and researchers enrolled in or affiliated to Universities or other Research Institutes. The photos must be issued within the frame of scientific research in physics, biology, medicine etc, and must also have an artistic value.

The deadline to apply is **July 10th 2019**.

EXTENDED!

OFFICIAL RULES

The contest is open to students and researchers enrolled in or affiliated to Universities or other Research Institutes.

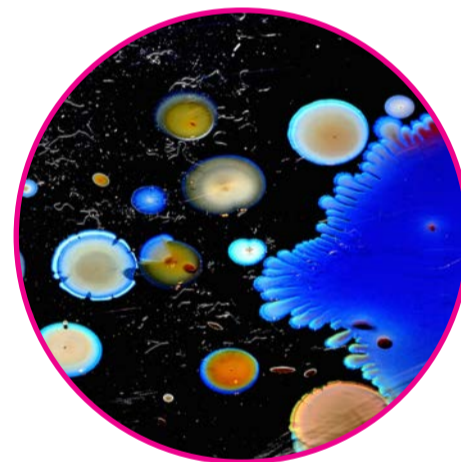

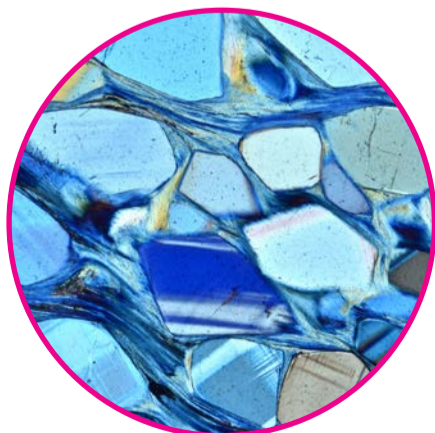

Each participant can submit a maximum of 5 images. In order to enter the contest, participants must fill in the online entry form on the contest's website www.immaginarioscientifico.it/artescienza, and follow the instructions to upload the images. The deadline to apply is July 10th 2019.

Works carried out using photomontage will not be admitted to the contest. No text or graphic elements may be added to the original picture.

JURY

The Jury will be formed by at least 3 members among scientists and experts in arts, chosen by the organizers.

The Jury members will define the selection criteria and their decision is to be considered final.

AWARDS

a) Exhibitions

The Jury will select up to 30 works out of the ones qualifying according to the contest's rules. The selected works will be printed on rigid support and displayed in an exhibition in autumn 2019, in a convenient public place that will be chosen by the organizing committee.

The printed works will remain to the organizing committee, who may use them for future exhibitions. The original files will not be returned to the participants and the works' rights will be acquired by the organization, who will use them on a non-exclusive basis, for free and for an indeterminate period, for promotional purposes related to the contest itself.

b) Prizes

The winning picture will be chosen among the selected works and will be awarded a monetary prize of € 500.00, offered by UTILGRAPH. The prize will be officially presented during a public award ceremony.
